ONGKARA – BALINESE SPA CONCEPT

With the Balinese spa concept we'd like to take you away to a sensual paradise, at least for a while. Bali, the island of gods, spirits and demons, bewitches all senses. The scent of incense and freshly picked flowers hangs in the air over the land. A session of our Balinese ongkara wellness treatments signifies care, calm, relaxation, detoxification and regeneration for both the body and spirit.

● LOTUS CRYSTAL MASSAGE

A pampering massage consisting of traditional, Asian massage elements, reflexology therapy and special care for the body and soul. Massages with energy stones, like rose quartz or crock crystal, have a balancing and harmonising effect. Finally the whole body is massaged with warm oils. Bit by bit, you come into contact with your own energy and experience complete relaxation.

Treatment time approx. 120 mins **99,- EUR**

● RAJAWATU royal body ritual

A royal wellness ceremony with warm aroma massage stones purpose-made for you. A fascinating combination of massage, energy treatment and the relaxing effect of warm aroma massage stones – a deep, holistic experience pampering all the senses. The bearing column of our organism, the spine, gets a positive, straight alignment and the removal of energy blocks allow you to experience a deep relinquishing and relaxation – including an aroma flower foot bath.

Treatment time approx. 75 mins **79,- EUR**

● ONGKARA FACE

Traditional Balinese facial ceremony with a natural bounty of herbs, spices, chocolate and high quality, pure plant oils. The secret powers of warm precious stones remove any disharmonies and cast the indescribable beauty of a balanced core directly on your face.

Our Philosophy

With our innovative range of result-orientated face and body treatments we can cater individually and specifically to your care needs.

We use excellent care products of the highest standard. You can rely on our experience of over 30 years in the development and manufacture of scientifically based cosmetics "made in Germany".

Treat yourself to the être belle products and treatments – delights for the body and soul which show in your skin straight after application!

MOISTURE CONTENT

- **HYALURONIC³ – TRIPLE EFFECT**
Firms – sleeks – tightens

The alternative to wrinkle injection is the new high-tech hyaluronic acid with its threefold effect.

Immediate effect
Immediately noticeable tightening of the surface moisture deposits.

Lasting effect
Improved elasticity and tension of the skin tissue.

Lifting effect
Tightening of wrinkles from within. The facial contours are remodelled and the complexion appears firmer and smoother.

Combined with a specially devised bio-energetic massage, the skin's moisture retention is replenished.

Treatment time approx. 90 mins 79,- EUR

- **SENSIPLUS**
Innovative moisture care for sensitive skin

Blissfully relax and enjoy the unique care concept for your sensitive skin. Sensiplus calms and cares for very dry, irritated and weathered skin. The natural balance is restored. Even couperose skin visibly and noticeably obtains a new balance.
